Desert & Coast Safari – long version

Windhoek - Namib Desert – Sossusvlei – Swakopmund – Windhoek/Walvis Bay

Departure on request: 7 days / 6 nights

Day 1: Windhoek – Namib Desert.

(app. 240 km on gravel road – ca 3.5 - 4 hours driving time)

You will be met at your establishment in the capital just before 14h00 (during Namibian wintertime – 13h00). Depart from Windhoek and we'll first pass the Kupferberg Pass. We drive along cattle farm land and see a few farmhouses along the way. The landscape is hilly and we can enjoy some nice views over fertile valleys. As we continue, the vegetation changes and the farmland is used for sheep and goat farming. We take the turn via the scenic and steep Spreetshoogte Pass. Enjoy an undisturbed view on top of one of the steepest passes in Namibia! We will stop at the small settlement Solitaire and continue to the beautifully set Namib Naukluft Lodge & Soft Adventure Camp. Both establishments are located on the private nature reserve: NamNau Habitat, which hosts a variety of desert adapted game like springbok, ostrich, earth wolf, bat-eared fox and many more.

Standard Version: Overnight with dinner, bed and breakfast at the Soft Adventure Camp.

Superior Version: Overnight on a dinner, bed and breakfast basis at Namib Naukluft Lodge.

Day 2: Namib Desert.

(Total km for excursion: app. 240 km – duration app. 7 hours)

An early morning rise with a snack before leaving enables you to arrive at Sesriem, the Park's gate at around sunrise. The route leads along and also across the Tsauchab dry riverbed, which has found a way through the dunes until it reaches the claypan – the Sossusvlei. After a good rainy season – about every 7 to 10 years – the Tsauchab River runs in full flood and fills the Vlei with water. For months it remains here and offers sensational scenery with a prolific birdlife.

The early morning sun offers spectacular pastel colours in the star-shaped dunes. This is the highlight for the keen photographer. Your first stop will be at Dune 45 before we continue to the Sossusvlei. Climb one of the dunes – there are plenty – and you might be overwhelmed by the sight of the dynamic and living desert!

Breakfast will be served in form of a picnic under one of the shady camelthorn trees, before you continue to the base of the 'Dead Vlei'. It is quite a walk over patches of dunes that are crossing your way. When you arrive you will be paid off for your efforts – the scenery is awesome!

We will visit the Sesriem Canyon, a 30 metre deep rift, before we return to our base Namib Naukluft Lodge and the Soft Adventure Camp for a late lunch.

During the late afternoon a sundowner-drive to the natural marble mountains on this 25,000 ha private nature reserve is included.

Standard Version: Overnight with full board at the Soft Adventure Camp.

Superior Version: Overnight with full board at Namib Naukluft Lodge.

Day 3: Namib Desert.

This morning – around 07:00 o'clock - you may participate in a guided walk in the Naukluft Mountains, which are part of the private nature reserve: NamNau Habitat. The walk takes approximately 1.5 to 2 hours. Upon return enjoy your full breakfast. The rest of the morning is at leisure and you may want to relax at the pool-side with a great view over the open plains. Lunch will be served at the Lodge / Camp.

During the afternoon you will do an extensive desert drive: This is undisturbed nature! We cross the dry riverbed of the Tsondeb and visit the Moringa Forest – a hidden treasure – until we get to a spot, where you can feel the solitude of the Namib: a 360° degrees view! Enjoy the scenery and return to the lodge on a scenic route, where depending on the season herds of springbok and oryx antelope can be seen.

Standard Version: Overnight with full board at the Soft Adventure Camp.

Superior Version: Overnight with full board basis at Namib Naukluft Lodge.

Desert & Coast Safari – long version - continued....

You will pass Namibia's largest nature reserve, the Namib Naukluft Park. We pass the Vogelfederberg and shall drive through Namibia's harbor town Walvis Bay, before we arrive in Swakopmund at around 12:30.
