

Self-drive – Itinerary
Namibia's Coast: 4 days / 3 nights

Starting Point: Windhoek or Walvis Bay
Ending Point: Windhoek or Swakopmund

Day 1: Walvis Bay. You can plan this itinerary as part of your travel arrangements coming from Windhoek as a self-drive client, arriving with a scheduled flight from Cape Town or as the continuation of your travel arrangements in the South (e.g. Sossusvlei Shuttle or the Self-drive itinerary Namibia's South). The first night is spent in Walvis Bay, Namibia's main harbour town. Accommodation on a bed and breakfast basis at the Pelican Bay Hotel, located right at the beautiful Walvis Bay Lagoon.

Day 2: Walvis Bay. We recommend an excursion by boat either with a motorboat or a catamaran this morning. Often dolphins and/or seals accompany these excursions. Snacks and a variety of beverages are served on board the boat (excursion optional – not included). During the course of the afternoon, you drive along the coastline to Swakopmund. Explore this premier coastal resort on your own. Overnight on a bed and breakfast basis at Hotel Eberwein or in one of the many hotels, pensions in Swakopmund.

Day 3: Swakopmund. Enjoy the whole day in Swakopmund. Many activities are on offer and you may want to 'sand board', quad bike, or join a fishing trip (activities are not included in price). You may also want to do a trip into the Namib Desert on your own. (Permit required – can be obtained in Swakopmund). Visit the ancient plant: Welwitschia Mirabelis, the Oasis Goanikontes and the moonlandscape. Overnight on a bed and breakfast basis at Hotel Eberwein or in one of the many hotels, pensions in Swakopmund.

Day 4: Swakopmund. Today your visit at the coast ends and you may want to continue with a self-drive program to the northern parts of Namibia or return to Windhoek.

End of Safari
